- fully co-operate with the relevant statutory authorities in relation to child protection and welfare matters
- adopt safe practices to minimise the possibility of harm or accidents happening to children and protect workers from the necessity to take unnecessary risks that may leave themselves open to accusations of abuse or neglect;
- develop a practice of openness with parents and encourage parental involvement in the education of their children; and
- fully respect confidentiality requirements in dealing with child protection matters. The school will also adhere to the above principles in relation to any adult pupil with a special vulnerability.

5. The school recognizes that the following guidelines are relevant to the Child Protection Policy, Code of Behaviour, Anti-bullying Policy, Pupil Attendance, Supervision of Pupils, Swimming Guidelines, Intimate Care and Toileting, Photograph Guidelines and Stay Safe Template.

6. This policy has been made available to school personnel and the Parents' Association and is readily accessible to parents on request. A copy of this policy will be made available to the Department and the patron if requested.

7. This policy will be reviewed by the Board of Management once in every school year.
